

**The Human Race Feeds
Sonoma County's Nonprofit Community.
Now you can, too.**

**Human Race Restaurant Week
April 29th – May 5th**

On May 5th, the Human Race celebrates its **31st anniversary**. The Human Race *Restaurant Week* is an opportunity for Sonoma County restaurants to **GIVE BACK** and **GET BUSINESS**. Follow these simple steps below:

- ① Pick a **nonprofit** (list of registered agencies on the back).
- ② Pick **which day** or days during the Week of Giving you'll participate.
- ③ Determine **what percentage** of proceeds you'll donate. Restaurants giving the highest percentage will get the most publicity. Promotion plan includes *Restaurant Week* fliers, e-communications, newspaper ads, radio mentions, and inclusion on a thank you banner on Race Day. Proceeds are mailed to the Volunteer Center not the non-profit.
- ④ **Register by April 1st** to be included in promotional efforts. Submit Commitment Form to ljack@volunteernow.org, or fax to 573-3380.

Imagine the **impact** we will make on our nonprofit community if for **one day 50 RESTAURANTS...GIVE BACK** in **CELEBRATION** of the **31th YEAR** of the Human Race. Thanks, Sonoma County, for feeding the Human Race!
